“ *My best moment with Mike he was in a game. I said, Mike you score this touchdown I'll bring you wherever you want to go and eat. He turned around and looked at me with them big old Jaws and said, you got that and he scored and he played a good game that day and we won the game. it's a lot of things I could talk forever about Mike. But we wind up taking the whole team out to eat because you can't score without the offensive line. That was a good team win and I was proud to be part of that team and he was eating. I just laughed at him cuz he had the crown on his head in that game. Thanks Mike for the time I had with you so stay strong everybody we'll see him in the afterlife from Coach Nealy*
