“ *To My friend Head (Our nickname for each other). You came to me in a dream a few nights ago. I knew what you were trying to tell me but I didn't want to say it. I hate that it took 6 months for me to find this out. You were truly a great friend and mentor to my son. You will always hold a special place in my heart.*

To my special nephew, Michael you are missed so much. Your grandson visit my home talk to your urn saying he is telling you what's going on with him. Loni also talk with you. This is a very hard one for the family & your friends. I know you don't want me to feel sad but I do but with the help of the Lord I know we all will make it. Your birthday coming soon another day I will ask the Lord for strength. Love always Aunt Connie ❤️❤️
