“ Mike was a good friend. He introduced me to the prison ministry in 2000 and we shared many trips to Mens, Baldwin, Rutledge and various other facilities throughout Ga. He was a mentor, confidant, Pastor and a true servant of God. Mike was one of the best friends that I have ever had in my life. I knew that he was a good man but in his death, I realize now that he was a great man! I miss you, Mike, thank you for your friendship and 20 wonderful years of friendship. Brenda thank you for sharing the man of God with me. someday on the other side of Jordan, Mike I will see you again.

“ I worked with Michael, by phone, over the last few months. He was always friendly, good-natured, and had his heart in the right place. He saw the bigger picture and worked hard to make sure what we were doing was for the greater good. He will be missed.

“ I've had the privilege of working with Michael long distance for several years now. While he took his work seriously and performed it extremely well, I never had a conversation with him where he didn't also make me laugh. His quiet humor could calm the tone if a meeting got a bit tense. He will be sorely missed. My sincere sympathy to his family
