

Michael Allen Revelette

April 26, 1959 - May 3, 2025

Michael "Mike" A. Revelette died unexpectedly in Avondale Estates, Georgia, on May 3, 2025. He was the second of four boys born to the late William and Mary Revelette (Woods) in Louisville, Kentucky. After growing up surrounded by extended family in Louisville, Mike lived in various cities outside Kentucky after graduating from Bellarmine University. He later returned to Louisville to care for his mother until her passing. Most of his career was spent working for Lockheed Martin. In his later years, Mike moved to the Atlanta area to be closer to his grandchildren, where he built a life filled with quiet generosity, unwavering support, and love.

Although Mike did not have biological children, he was a father in every sense that genuinely matters. He embraced this role for Marco Garcia, whom he supported as a teenager with compassion and dedication, becoming a steady and guiding presence in his life. In his later years, Mike wholeheartedly embraced the role of grandfather to Mara, Elias, and Caleb, considering it his most incredible honor. After retiring last year, he often spent his days driving them to practices and school events or simply enjoying their company. He took immense pride in their lives and accomplishments. Mike was affectionately known as "Grandpa Mike" by his grandchildren, the neighbors, and the children on their street.

Mike leaves behind a legacy of love, loyalty, and quiet strength. He will be

deeply missed by all who had the privilege of knowing him.

He is survived by numerous extended family members in Kentucky and beyond, his chosen son, Marco Garcia, and his cherished grandchildren, Mara, Elias, and Caleb. He is also remembered fondly by many friends and extended family who were touched by his kindness and unwavering support.

Instead of flowers, the family asks that donations be made to Al-Anon, an organization close to Mike's heart.

“ *I was shocked to hear of Mike's passing. We were teammates for 5½ years and, although we both lived in the Atlanta metro, we did not get a chance to meet in person until a month or two after he left Lockheed Martin. Although Mike's retirement was not planned, he reflected on how it had allowed him to spend much more time with his grandchildren, and how he enjoyed teaching his granddaughter to drive.*

To Mike's family, please know that he was well-liked and well-respected by his Lockheed Martin teammates, and he will be greatly missed. Please accept our condolences.

Although I did not know Michael personally, I know of him through his wonderful son Marco and grand kids! I know that he's loved, missed, treasured and adored by all of them. I'm so happy that they have a beautiful library full of bound volumes, created by him and with him to hold on to. Thanks for being such a stand guy Mike 😊👇
