“ Going to miss you cuz - You were the brother that I never had - I have a lot of fond memories from us as kids to young adults you would always stay with me for a few days whenever I moved into a new apartment because I was scared. We would always call each other on our birthdays and teasing each other of how old we were getting. RIP my cousin and brother! Love you Karen Henderson

Dear cousin was glad to see you our last visit and you know how I love talking shop. You were always the the cool kinda quiet one. Wished we could have talked more but I guess men just aren't phone people. I will always keep you in my heart. Rest in the arms of Aunt Little Bey and your wonderful mother. Love wenny
