“ *Friends are the pillars on your porch. Sometimes they hold you up, sometimes they lean on you, and sometimes it’s just enough to know that they are standing by. As you grieve know that we are remembering you and honoring the memory of Tanks. With caring thoughts, love and remembrance. Fullard and Nona*

“ *Ive known Michael since 1980, our 8th grade year at SWD High. From the very start i noticed that he most friendly, most soft spoken boys in the school. A few weeks later i saw him going to practice one day and that shocked me. Ill never forget his kind demeanor and soft smile.*

“ Coach Tanks was a wonderful coach. He pushed my son to be the best he could be. He saw something in him, that my son didn't see in himself, but during his senior year, he saw the light. Coach Tanks is part of the reason my son is in college now playing football and being a great student. Rest in peace Coach Tanks. The Richardson-Steele family will miss you!!!

“ I am so sorry to read of Mr. Tank's passing. I extend my condolences to his family and pray that they will be comforted by Jehovah's words in Isaiah 25:8 where he promises that death will be swallowed up forever.

“ *I'm filled with so many emotions but he will truly be missed!! I'd never forget the first and last time I was sent to ISS for acting up in school!! He had the most powerful talk with me and he told me to always remember a quote!! If you don't stand for something, you'll fall for anything!! Don't be stupid any follow the wrong ppl!! I will forever cherish our memories!! To the family, he was like a school dad to me along with my brother, and never wanted to see us fail! He always made sure we were on top of things!! If y'all need anything, I'm only a call away!*
