“ Sheila, I have always appreciated you and Mike as next door neighbors and friends. The two of you were there for me and my daughters Amina and Ayana when we lost my husband Norman almost 11 years ago. I will never forget Mike's smile, his 'cool.' He was like an uncle to Ayana in particular. He always asked about 'Yani' and how she was doing up in Philly. I am glad he had the opportunity to meet my grandbaby Kaysen during one of Ayana's visits. Know that I am wrapping you in love. Mike's soul is rested and his spirit is looking after you. --Love Clarissa

“ Sheila I cannot imagine you without your husband. He was one of the greatest gentlemen that I have ever met. When we spoke, he never had a conversation without mentioning you. I admired him for that. I will never see you without him. My deepest condolences from one of your neighbors.

“ *Moving to Atlanta I became friends with Michael and Sheila. The best people to meet. I loved going to their home and admired Michael's green thumb. He was an excellent cook. The last time I was in town he fried catfish, cooked spaghetti and made cole slaw. It was so good. Will miss your smile. Rest in peace my friend.*
