

Michelle Marie Glenn

January 25, 1963 - January 14, 2017

We are sad to announce the passing of our daughter on January 14th, 2017 at the age of 53. Michelle, born in Bad Kreuznach, Germany to Hannelore Brigitte and Robert Wall Glenn, grew up on a number of army bases throughout the world until she entered Georgia Institute of Technology. After obtaining her Bachelors degree in Civil engineering, she spent her distinguished career at the US Environmental Protection Agency, until retirement. After retirement, Michelle donated her time to the community, as a child and animal advocate, and in other areas she felt she could assist. She loved to travel making friends across the globe that she kept in touch with throughout her life. She was a great friend to many and will be missed by friends and family.

She left behind her parents and sister, Sandra L. Glenn, and her beloved pets. A graveside service, followed by a Celebration of her Life, will be held at 11:00 AM on February 11th, 2017 at the Dorchester Cemetery and Civic Center located at 1804 Islands Highway, Midway Georgia 31320. We would ask those who wish, in lieu of flowers, to donate to any Animal Rescue Group or the Dorchester Civic Center or Cemetery in her name.

“*At the end of each life is a legacy of love and memories. Hold tight to those memories.... Lean on each other for support. And look to God's Word, the Bible, for comfort and strength. 1 Peter 5:7 encourages; "Throw all your anxiety on him, because he cares for you."*
