“ RIP my friend. Matthews was a sweetheart. The most supported person I knew. She supported me thru my cancer treatment and also my daughter thru hers. She showed up to my sons house after my surgery with gifts for me and my daughter who was in intensive care at Cancer Center in Newnan. My daughter passed away November 18th and Matthews was always in touch with me giving her support. They both passed away from the same cancer. RIP my queen. You will not be forgotten.
