“ *My Bell, words can not express my feelin right now. You were amazing to me and my kids. More amazing to us than my own mother. I will miss you truly, although we did not talk as much anymore, whenever I called you, for advice or just to talk, you were always there. you may be gone, but you will never be forgotten. Thinking of you always. You always treated me like a second daughter and my kids as grandkids, and fo that I will be eternally grateful. I will try to be strong because your time here was up, and GOD needed another angel. I'm really gonna miss you.*
