“ I remember him coming around our house When I was young 8 year old kid and him giving us money, me and my older brother... I remember writing him while he was in prison.. he encouraged me to always do the right thing and be better than what his life became... We knew him as Quo Vadis... Rest in Power 🙏

“ Dear Lockhart Family: Please accept my sincere condolences for your loved one. May the love and support of family and friends comfort you greatly during this difficult time. The Bible also gives us comfort and hope to see our loved ones again by means of the resurrection. “There is going to be a ressurection of the righteous and the unrighteous.”May you have peace you think about this beautiful hope for for the future.

“ Daddy, I still can't believe you are not here. God needed you more than we do. Although God broke our hearts, he did it to prove to us that he only takes the best.... I love you & you will always be in my heart. I know you are watching down on us
