“ *Milton you were not only my cousin but a friend when I needed one the most. You were always available to me and gave me a lot of support with my husband until your own health start to fail you and even then you were trying to still be available to us. You showed him just as much love as you did me. You fought a good fight and have now earned your heavenly wings. I'm going to truly miss you. Rest on my cousin. Barbara & Jimmy*
