“ *Uncle Milton you were the last of the Williams Patriarch! Your "Williams Girls" did a beautiful job on your homegoing. Their ability to work together as a unit during hard times with love and grace reinforces that your legacy will be preserved through them all.*

To my cousins, I thank you for sharing your daddy with me all these years and have no doubt that he prepared you well for this moment. To my Aunt Lois, thank you for always loving on me since you came into my life. Trust that the Family you two built will surround you with all the love and care you need going forward.

Uncle you always made yourself available to me with wisdom at every difficult point in my life. Your unconditional love will never be forgotten! "What is understood doesn't need to be said"

Your niece,

Cynthia (Williams) Upchurch

“ There is always a "Legacy" established in family, and there must be someone to receive the mantle, to ensure that the family never loses its fervor to serve, faith to love, and favor to bless others. May your mantle fall, equally upon each of your daughters, all of whom honored and loved you as much as any son ever would.

My dear Uncle you are the last "Patriarch" in the Bell/Williams lineage, you have blazed an amazing trail, and left a footprint larger than life, it will definitely take all of your nieces and nephews a lifetime to try to fill in this GREAT Bell/Williams family.

We understand, all will have to bear portions of this great "Legacy" and we will do it proudly. Thank you for always being there, for always being YOU, and for encouraging us to be our level best. I am sure as you have transitioned into eternity and gained your wings, there was a welcome of heavens hosts, to celebrate you coming in, While we remain down here, we will celebrate the powerful life, Legacy and Love you shared with us all.

I will do my best as I am sure the other family members will. to fulfill the many things you have spoken over us. I pray for your wife, my Auntie, and all your daughters(sisters to me) to be insulated with your grace and love, that they may be sustained during this time of adjustment, that your grandchildren and great-grand children will be successful and reap the benefits, of all you did for the Kingdom of God. Finally, I pray that all your friends and family will be strengthened as they all adjust as well.

We miss you already, you fought a good fight, you kept the faith, now on to your reward. God Bless Sir and thank you again for your tremendous "Legacy" we can only hope to come close to being a reflection of.

“ *Dear Family*

We all share in the loss of your husband, father, grandfather, great grandfather, brother, uncle and cousin...Rev. Milton H. Williams.

We cherish the sweet spirited, loving support, prayers and words of encouragement always given to us by Uncle Milton.

Know that we Love you all and we are praying for each of you.

I was touched and very proud when my uncle shared an exciting evening with me at a Pattillo High School Reunion in Tarboro NC.

That evening is one of many I will always hold near and dear to my heart.

So as we lay him to rest, know that he lives on in each of our hearts and yours.

Lovingly Submitted
