When I first discovered Milton had passed I was devastated. I mt him in Brooklyn and we both lived in the same neighborhood. He was my little brother - a ray of sunshine. He would pop up like a bouquet of sunshine. I loved spending time with him. We were both silly at heart and I admired his ambition and drive. I just knew we were going to hook up soon and catch up. God knew better and took my bro bro home. I will miss you my sweet friend. In God's care until we meet again. 💜

“ Man I don't know what to say, I remember when we first met in NY, than a few years later I got that call, that you wanted to move to the DMV from that day you have been my good "Judy" I remember my last visit with you when I was in ATL, that was a great night. I will always remember how we act up when we was together. I still can't believe you are gone, but you will always be in my heart and I know when I least expect it you will have my laughing, thinking about the good old days. Sean "Yogi"

“ To Milton's family and close friends, my sincerest condolences to you all. I cannot believe that you have passed on. I had the privilege of working with Milton at Farmers Insurance and he was my second hire as I had taken on a new role and he made an immediate impact. I can remember, he, another of my team members and myself earned a trip to California as a result of our results, which were largely due to his efforts. We had not spoken since you moved on from Farmers but I appreciated the many conversations that we had and I know you are resting with the Lord! God Bless your soul, and you will be missed.

“ First I would like to extend my condolences to the Woodard Family. I am so very sorry for your loss.

I have many fond memories of Milton from Junior High and High School. Milton was very talented. I remember him singing in the school chorus under Mr Barrett's tutelage. He was so thoughtful, kind, friendly and oh so funny. His laugh was just as infectious as his personality. He is a special soul. It was a pleasure sharing some of life's most precious and impressionable moments with Milton. I am grateful that our lives crossed paths. Sending lots of love light and adoration. Rest well my friend.

Condolences and God's peace to the family of this warm and delightful man. Milton was a friend to and a loving presence in the Lucas family. His humor, authenticity, his churchness and his spades game will be missed but always remembered. His smile was welcoming and his friendship was encouraging and shared. Enjoy the presence of God my brother - your change has come ☐

“ I could say soooo much about Milton a.k.a. Sequel. All the laughs not only in the Elijah cafe & the NSMBC choir. No matter the occasion, you was going to leave his presence in stitches from laughing so hard. He was a joy & I still can't believe he's gone it seems so unreal. Milton had just reached out to me after seeing on virtual church that my son went down. He was so happy for my family & I'll never forget how much he loved especially us. I know him and my cousin Debbie is up there cuttin up...love & miss you so much brother, till we meet again.

“ I'll always remember Milton serving and ministering with our church choir. He was a beautiful kindhearted soul, who kept in touch after he moved away. He'll always be a part of the New Salem Mass Choir, and most of all live in my heart. Love & Blessings to His Family. From Lorraine Dorsey

“ Milton (aka Sequel) served at New Salem Baptist Church in
Columbus, Ohio for many years. He was such a joy to serve along
side and was a faithful servant of the Lord. He sang lead on a song
titled "You've Been so Faithful". It was always a blessing to the
church each time he sang it. We connected on Facebook a few
weeks ago and I asked him when he planned on coming to
Columbus for a visit. He replied, "hopefully in a few weeks." Well
God knew and His plan is perfect. See you on the other side my
brother!
