“ *To the Cox family, my heart was heavy when I got the call. I met Ms. Cox about 1 year ago but when we met we connect like we had known each other for life. I started transporting her to her day program and she did not want anyone else to take her but me. I am going to miss the talks, smile, and the singing she used to do before she got to her program. RIP. Love carolyn*

I knew Miriam as, Miriam Harrison. "My best Bub" in Hight School. When you saw her, you saw me. We even dressed alike. We pretended we were sisters. But to this family. There is a lot of Heart felt pain that you don't understand just now...But God has a way of easing this pain, but in time. Sometimes there are no words...just lots of Caring and Love. Lifting you all, in prayer and trusting God to hold you all, close in this time of your Loss.
