“ condolences and love are extended to McArthur, Melody, Joi and Marva. Mollie was an excellent teacher of preschool children . She did an awesome job preparing them for primary school. In fact, they were more ready than many of their white counterparts. The principal at that time was heard to say, Mollie's knew too much before coming to primary school. She was my friend through the years. We talked often by telephone. She was also a relative to my husband on the Butler side. I will truly miss her. I know she is in the arms of Jesus.

I don't have to tell anyone about her spirituality because it shined through her works... I'm proud to have had her in my life. Molly memories will always live in my heart. I met Mother Lewis and Bro. Mac four years ago, when I started attending Victory for the World Church in 201. One Sunday I helped you with your car problem, after that I would look forward to seeing you every Sunday. Your smile and spirit would light up the entire sanctuary. My Deepest condolence and sympathy go out to Bro. Mac and family. May you find comfort that Mother Lewis is now in Heaven, seating at the feet of her Master. You will be missed.

“ With Deepest Condolences to the family of My Dear sweet friend Mrs Mollie Lewis 🌹 She was one of the first smiles I met when moving to Monroe. I met Mrs Lewis in 1985 when I enrolled my oldest child in her daycare, who is now a Medical Doctor. Mrs. Lewis and I remained friends until the day of her passing. We will talk on the phone for hrs about family and life. Just knowing she was just a phone call or visit away bought me a sense of happiness and peace. I will always keep a special place in my heart for my Dear friend! Praying for comfort for the family during this most difficult time. ❤️ 🙏❤️

“ Our condolences and prayers during this time of bereavement. Remembering the first time I heard her name I was informed you want your baby at Mrs. Mollie. Our oldest baby received the full affects of Mrs. Mollie's Learning Center. Our youngest received one summer. However there are many in this community that received their 2nd education at Mollie"s Learning Center. Experiencing her Students at the Carver/Walton County Crossroads Pre-k Program, you could always tell the difference in students that attended her center. Thank you Mrs. Mollie for being a beacon of love for this community. May your love live on through the work God allowed you to spread during your time here on this earth as we can say as I know God has said, "Sista! Job well done. Take your seat and rest"
