“ *Bee just had a way of pulling everyone together- and frankly, that's all she ever needed. A full house, family around the table, and people she loved nearby - that was her happy place. She didn't need much fanfare; just her people close. We'll carry her with us every time we gather, because that's what she was all about.*

Thank you Bee for welcoming me and making me like I was always part of the family.

*Missing you with love,
Sandra*

I knew Mollie Bee 3/4's of my life & she welcomed me as part of the family from the beginning. She was always positive & upbeat, enjoying having people around. Regardless of the occasion, she always commented that she'd missed you if you had been absent. I will miss her, her sweet demeanor, & the best sweet potato pies around.
