“ We're so sorry to hear about the loss of our military sister Moniqua. She was such an incredible woman whose kindness and generosity made a lasting impact on everyone around her; she will truly be missed and not forgotten.

The bond formed under the 49th GRP at Fort Lee, Virginia and continued through the Retired Ladies of the Armed Forces (DMV) here in Virginia, and we've managed to keep our connection strong despite the distance, virtually. While her physical presence is deeply missed, her memory and the warmth of her friendship will certainly live on in the hearts of her sisters-in-arms.

Please accept our sincere condolences to you, her family, and the entire military community during this difficult time. May your fond memories bring you comfort.

“ I came to know Moniqua when we were both stationed in Kuwait. An awesome person, Soldier , and friend. Always a kind word to say, and a pleasure to be around. We had many conversations about family and life, even after we departed Kuwait. We followed each other on FB and had a couple of phone conversations over the years, although I regret that we didn't talk more often. My condolences to her husband, and children. R.I.P Moniqua, a beautiful soul!! 🙏
