“ To the Langston Family,
Mr. Langston was a wonderful co-worker and friend., who will be missed. He was someone we could all depend on to take pictures at SMMS school events, take the students on various field trips and just be there whenever and where we needed him. He had a wonderful personality! I would often tease him about Southern Universities in Baton Rouge, LA, which he loved. Thank you for sharing his life with the Stone Mountain Middle School family. Our prayers and condolences to the Langston family. May God comfort and strengthen you during this difficult time. With deepest sympathy! Dr. Deborah M. Dunn & Family!

“ Dear Jackie and Family,

I hope this message finds you surrounded by love and support during this incredibly challenging time. I was deeply saddened to hear about the passing of Morris, and I extend my most sincere condolences to you and your family.

I deeply regret that I am unable to attend the funeral services to pay my respects in person. I want to express my sincerest apologies for not being there during this emotional period.

Morris was not only a fellow college classmate but also a fraternity brother and a respected military veteran. His presence touched the lives of many, leaving an indelible mark on those who had the privilege of knowing him. The memories we shared during our time together at college and in the fraternity are cherished, and I will forever remember Morris as a person of integrity, courage, and unwavering dedication.

As a military veteran, Morris demonstrated remarkable strength and commitment to serving our country. His sacrifices and contributions will be remembered with gratitude by all who understood the profound impact of his service.

During these difficult moments, I want you to know that you are not alone. Morris was more than a friend; he was a brother, a comrade, and a source of inspiration to many. Please take comfort in the knowledge that his legacy lives on through the memories we shared and the positive influence he had on those around him.

May you find strength in the shared memories and the love that surrounds you, and may Morris rest in peace.

With heartfelt sympathy,

Willie J. Clark

“ Alexander (Zander) was always a role model for me and so many others throughout his lifetime. His quick wit, humor and genuinely warm personality made him fun to be around and a great inspiration. I can only imagine the sense of loss and the void that Jackie and the broader Langston family must feel at this time. You are all in our thoughts and prayers.

“ *Mr. Morris Langston was a consummate gentleman with an obvious sense of humor that was well received and appreciated by everyone who came to know him. He was always pleasant, patient and willing to chat with you. I had the pleasure of working with him at Max Abbott Middle School in Fayetteville, N C. He was an excellent teacher and was admired and respected by the staff as well as the students. He was always willing to help students as well as staff members and often went beyond the call.of duty to do just that. It was indeed a genuine pleasure to work with him as well as to know him. He will definitely be sorely missed. My thoughts and prayers are with the family. May God continue to bless you and provide you with the strength to endure your loss.*
