“ I first met MC when I was 16 years old. My father began using MC to work on our cars in about 1966. He worked on all of my cars for 50 years. I had some lean times, and MC would fix me up with junkyard parts and never charge me enough. I would always try to get him to take more. Several times I broke down, and MC came and towed me back to his house. In those early years I realized MC was unique, but I never new why until I became a Christian at age 47.

MC was a strong man of faith. He knew that auto mechanics was his talent and he dedicated his talent to God. He served. He cared. He loved. When I think of MC, I think of Jesus Christ. What a blessing he was to so many.

MC, I hope to see you again. I love you. You have touched many.

“ *I did not personally know Mr. Whittaker, but I would like to extend my condolence to his family and friends. I would like to share a scripture with you that I found very comforting when I have had close ones die. At Rev. 21:4 God promises that there will come a time when sickness and death will be done away with. I hope this brings you some comfort too. Sincerely,*
