“ *My Dear Darling Sweet Sister, my Heart is so Broken 💔. I know that we all must transition from this Earth one day and assemble ourselves to "our life's chosen place of Eternity", but it hurt so bad. However, I'm comforted in knowing that You knew that I Loved, Admired and Appreciated You. I'll miss your silly giggles and laughing until your eyes squeeched like mine. During my teenage years, you would fly me to New Jersey to babysit and treated me like your Daughter instead of your Baby Sister. You made me feel so special. You were right there with me during my Daughter's Funeral and held onto me tight. Goodbye for now My Love, I'll never forget You and will be Loving You Always💕  
Your Baby Sister, Velma Leonard-Williams*
