“ Ms King was a beautiful and kind soul. She was so genuine, meek and caring to everyone that she interacted with. Courtney, your mother has permanently left an imprint on my heart and I will never forget her, her smile and cute giggle. Courtney, I've always admired how well you cared for your mother. Whenever we sat together and talked she always told me how proud and thankful she is to have you as her son. Your mother loved you immensely and appreciated you so much. She always dressed so nice and she was such a neat lady. I miss her greatly, her spirit is one that can't be duplicated. Thank you so much for letting me borrow her weekly. I am so proud and grateful that I got the opportunity to know her and care for her. You and your family are in my prayers. I KNOW for a fact that she gained her wings.

*With Love -Tiffiney xoxo*
