“ *I met Mother Jeffries in the early 1970s. She exhibited behavior  
described in Proverbs 31 with much more virtue and love. If I had to  
compare her with the best women that impacted my life, she would  
be among the top picks.*

*We can celebrate her life and give thanks to God for sharing her  
with us.*

*We love you family and our prayers will continue to be with you.*
