“ It is with a heavy heart that I will not be able to attend either the visitation or funeral due to prior commitments. Mozelle cared for me from the time I was a one year old until really now. It was her love that taught me to love and to never see the color of another's skin. She was the most amazing woman and I credit her for all the good that was in my life as a child, teen and young adult. The love she had for Frank and Neal was something I wanted and hope I gave to my own children. She was a strong caring woman and although she will be missed I am sure of one thing, heaven has gained a very special angel.
