“ Dear Jackson Family, I am so very sorry for your loss. At times like this, I have learned to appreciate the resurrection. Scriptures such as Isaiah 26:19, Hosea 13:14 and 1 Thessalonians 4:13,14 speak of a resurrection that will provide us the opportunity to be reunited with our loved ones. We can place our confidence in the resurrection because Acts 17:31 tells us that God furnishes a guarantee to all in that he resurrected his son, Jesus Christ. Also Hebrews 6:18 tells us that it is impossible for God to lie. May these thoughts bring you comfort and hope to see Alexander again.

“ Mr. Alexander M. Jackson aka "Young Success" man I had to many good times with you, you like a little brother to me. Excellent times from the laughing, studio sessions, hanging out at "Dream" house, parties, and other times hanging out in front of your mom crib talking bout the next move. Alex always had a good head on his shoulders and never gave up on making music and taking it to the top REGARDLESS of what anyone would say and was an excellent artist in his music career. It's sad to see him go, he was grinding so hard and was almost at the top! R.I.P ALEX "YOUNG SUCCESS" JACKSON memories and music will ALWAYS live on!!! Real Sorry about the lost to the Family

“ *To the family,*

We are truly sorry for your lost!!

I came to know, like and respect this young man as he and his father would take care of my lawn over the years. The last time that we laughed and had a little fun, was when he, his father and brother came by my house on the way to he and his brother's new apartment and we were all tying down mattresses on the back of his fathers truck. he was always jovial and energetic. I will truly miss him.

Be blessed my brother and rest in peace,

Our deepest sympathy,

Brian K. Hudley & Family

“ I am so blessed to have known you, Alex. I remember the first time I met Alex and the entire Jackson family like it was yesterday. Alex and I immediately became close; we were all out of town headed to Chicago. By the end of the trip I felt like I had known him my whole life and I so wanted him to experience H-town. He called me "BG" Dang I miss you BG (Alex)! In return I called him "BG" silly I know, that was just us. He said it was better to keep our conversations private so no one knew who he was talking to and vice versa (Mr. VIP). His personality was so infectious. I don't know anyone he came in contact with that didn't love him, you couldn't help but too! Even though I lived in Houston Alex always kept me in the loop, I could hear him now "BGGG!" Always calling asking the most outrageous questions he was too embarrassed to ask anyone else. Alex was the little brother I never had but always wanted. He was so bold, talented, confident, and intelligent and down for whatever ...I miss you so much BG. God must have needed an angel in heaven immediately. I'm sure your playing music for Shaan and making everybody dance, wave their hands and bob their heads. I love you always Alex "BG" (Bubble Gum) aka Young Success
Yea, though I walk through the valley of the shadow of death, I will fear no evil: for thou art with me; thy rod and thy staff they comfort me.
