“ I have been a friend of Anson for a long time. I met him at Nortel Networks in Durham. I just found out he past away, Anson was a wonderful person full of ambition and what ever he set his mind to he would do it. He always would push me to the next level no matter what I was going thru. I just want to let his parents know I am sorry for your lost and may God give you the strength to go on.##imported-begin##Patricia Lynch##imported-end##
