Tribute Wall

BP

“ To the Family: I know that many prayers are being said on your behalf because the loss of a loved one is distressing. God's Word gives us the promise that "The hour is coming when all those in the memorial tombs will hear Jesus' voice and come out." (John 5:28, 29). So keep in mind that God cares for you and has already made provisions to resurrect dead loved ones! (John 3:16)
