“ My family and I offer condolences to the family of Mr. Daniel M. Brown. May God's loving promise to restore our dead loved ones to life comfort you now and in the difficult days ahead. The Scripture recorded at John 5:28, 29 assures us that "The hour is coming when all those in the memorial tombs will hear Jesus' voice and come out." Keep in mind that God himself has already made this provision because he cares for us. (John 3:16). Continue to "draw close to God (in prayer) and he will draw close to you." (James 4:8)
