“ *Baby Dave, as some of of called him, will forever remain in my heart. During his illness, he tried so hard to do what his body would not allow him to do. I believe he tried so hard for us, his family because he knew how badly we wanted hiim to get well. I hear his laughter - a hearty, squeaky laughter. I can still hear his voice and I'm remembering how he could talk to anyone about any subject, I don't think he ever met a stranger. He will be sorely missed but never forgotten,*
