“*Brother David has been an uplifting inspiration to me and my family for quite some time. He was a genuine, caring, and loving spirit that had an endearing effect on everyone that knew him. He would always go out of his way to be helpful to others, and thanking him was always followed up with a thank you from him - he would say what an honor and a privilege it was to help another brother or sister in any way he could. Not a pretentious man, just a true saint. Rest thee well my brother. You are in a house not made with hands now, and your testimony still lives!*

“*May the "God of all comfort" give you peace and endurance as you mourn the loss of your dear loved one. God invites us to: "Draw close to him and he will draw close to you." (James 4:8). His Word assures us that: "The hour is coming when all those in the memorial tombs will hear Jesus' voice and come out." (John 5:28, 29)*

“ *I believe the first time that I met Deacon Mahaffey was when I went to check in on him as a patient at the hospital where I was working at the time. My mother shared with me that he had been ill and she asked me to please go over and check in on him. Let me tell you that when I opened the door to his room, he acted as if he'd known me forever. You see, Deacon Mahaffey knew no strangers. He always made me feel special from the first moment that I met him. I later became a member of the same church that he attended. He always had a kind word of wisdom for my husband and I. My family and I were very fond of Deacon Mahaffey, and he shall be missed!! Sleep now among the Angels and take your rest!!! I know without the shadow of a doubt that God has granted you your wings and said " Job well done"!!!*

*Love you always,
