“ *To my Godfather, Mr. Eugene Thompson:*

*You are valued, appreciated, and loved. I am forever grateful that my parents chose you to be my Godfather. You have been a parent figure, a mentor, and most of all, a friend.*

*I only hope that I will be able to give encouraging words and take positive action for those who might be counting on me like you have been.*

*Our family has been deeply blessed by your kind, caring support through all these years.*

*Love you*
