“ My favorite memory of you Doug is when me and uncle Bob shopped for for your high school prom (you looked so dapper) and uncle handed you the keys to his brand new gold and black Skylark and made you promise to bring it back the way it was given to you. WELL you brought it back and backed it in on 3 Locust Court because the driver’s side was all smashed in. You were more upset than we were and unc told you to do better from now on.. you couldn’t believe your luck. You gave us the biggest hug and broadest grin. And you had a great time for your prom. Love you always son.....Aunt Doris

“ "Throw your burden upon Jehovah himself, and he himself will sustain you." (Psalm 55:22). May you gain comfort and peace when you consider the loving provisions that God's Word holds, such as the assurance that "The hour is coming when all those in the memorial tombs will hear Jesus' voice and come out." (John 5:28). God cares for you!###imported-begin##The Parks Family###imported-end##

“ May you gain comfort when you consider God's Word when he assures us that "The hour is coming when all those in the memorial tombs will hear Jesus' voice and come out." -John 5:28. We can be confident of God's promises, based on the love that He has already shown on our behalf. (John 3:16).###imported-begin##The Parks Family###imported-end##
