“ We offer sincere condolences and encouragement. Jesus said: "Do not let your hearts be troubled. Exercise faith in God, exercise faith also in me." May Jehovah's loving resurrection provisions comfort and sustain you as we look forward to the time when death will be no more!##imported-begin##Beulah Parks & Family##imported-end##

“ Oscar and I were colleagues at Norfolk Southern for a period of time. Oscar is a great person, an intellectual, mentor and best of all I am proud to call him a friend. "One that is good gets approval from Jehovah, but the man of [wicked] ideas he pronounces wicked." Oscar is a good man. Best to all as we celebrate the life of our friend and brother Oscar Joyner.

With highest Regards,

“ *My deepest heart felt sympathy extended to you and your family during this trying time. You have been in my thoughts, and I pray that the love and support of family and friends surrounds you each day and gives you the strength for the days ahead. Our loved ones may be gone in sight, but never in spirit and our hearts.*

"When you are sorrowful look again in your heart, and you shall see that in truth you are weeping for that which has been your delight."

Always,
