“ With heartfelt condolences in the passing of our dear Aunt, I write this. Although we are unable to attend the service in person - our hearts will be there. Aunt Erlene was our father's only sister; a very special person, her laugh was so contagious every where she went; and had such class. She and Uncle Lincoln raised approximately 10 foster children during their earlier days - before she met Mr. Seals Riley. I do believe that her latter days were just as good as her earlier days - especially after she met Mr. Seals Riley - until the day the Lord called him home. I would like to personally give a "special thanks" to Bobby Lee Riley & family - for his friendship and especially for his care & concern of Aunt Erlene during her latter days. May GOD continue to bless each of you.
