“ My name is Tommi Walker Veal, and this week I reflect on being a child in the Flat Rock Community in Lithonia where Mrs. Frankie resided, us kids in the community would be getting ready for the Easter program on Easter Sunday at Flat Rock Church, we were a little community where everybody knew each other, looked out for each other and truly cared for each other, and you better believe if there were a child in the house they went to Sunday school, church services, and any other time the church doors opened with gladness. Mrs. Frankie was a retired school teacher and teaching never left her, she was our Sunday school teacher, and that's where I got my biblical knowledge beginning, I couldn't tell you much about what the preacher said back then, but I soaked up what we learned in Sunday school because Mrs. Frankie knew how to reach kids on their level. Every holiday she put on a program, but the Easter program was the most special one, on this week years ago, as soon as we got home from school and had a snack, we would meet Mrs. Frankie at the church to practice our Easter speeches and then that Sunday would be children's church and we put on our program and Easter parade, we had an Easter egg hunt afterwards and got a lots of goodies, it was so fun, I treasure those precious memories, thank you Mrs. Frankie, love you, rest well. ❤️
