“ I'm sending condolences and Scriptural encouragement to the family. May God's loving resurrection provision comfort you as you consider his assurance that "The hour is coming when all those in the memorial tombs will hear Jesus' voice and come out." (John 5:28, 29). Continue to "draw close to God (in prayer) and he will draw close to you." Keep in mind that God always keeps his word! (Isaiah 55:11)
