“ Granny,
Until I met you, I really didn't know what it meant to be a real woman and what it took to survive. You taught me a lot and I will never ever forget that for as long as I live. Getting all teared up writing this. Anyway, I just wanted to say I love you always and forever and I miss you so very much...Love, Monica

“ Ha, so i do have a way to say something to you.....
Granny, i know u were in pain and now dont have to suffer anymore.
you have played a big part in my life even though we were far apart.
im going to miss talking too u every 2 weeks or just calling you on
important holidays. Now i know you up there with your two son's
and watching over the whole family. God made me come down
there last 2 weeks ago for a reason and i got the best out of you that
week.
