“ I had the honor and the previlage of working with Ros @ The Home Depot, she has been there for me thru my marriage (she planned the wedding reception) and thru the birth of my son. I can hear her laughing and coughing at the same time. I would make her laugh so, that she would start to cough and she would say "Sherri you are crazy". I miss here and I will keep the family in my prayers. Love you and Miss you Ros!##imported-begin##Sherri Clayton##imported-end##

“ Gone too soon. I will miss you so much. We had the craziest times at work and church. I'm so glad you're out of pain and suffering, it still seems unreal that you are gone. I know we will see each other again some day, until then.....I love you and keep you close to my heart.....

Love

“ Wally and i shared a lot of laughs. She was a really great woman of God. She will always be in my heart. To her sons (family), know that your mommy is at rest and gone home to be with the Father. Remember to always trust in God! I know its hard, I have been through this myself, but she has no more pain or worry.

Love,
