hey granny when i found out you had passed i couldnt believe it. i mean i knew you had been sick and slowly declining i just never expected you to be gone. i guess i am still a bit naive whenit comes to that subject i miss you alot though and i will never forget the times we shared from the stories that made us laugh so hard we were crying to you strutting in your suits. i am priviledged to have known you as my great- grandmother and i dont take it lightly i love you very much and say hi to daddy for me
