“ Hey Grandma, this is your grandson Jonathan. Haven't talked to you in a while. I had nother child, his name is London. My light and joy. It's not a day that goes by I don't think of you. The family is in a disarray right now and we need you. Can you please help us. We need you, well I do, London does too. I never thought it would be like this but I love you hope to hear from you soon. I love you Grandma

“ Our thoughts goes out to our cousin's family. May God be with you and never give up, he's always there. God will give you the strength that will bring you through this difficult time. Believe that we all will see her again, in the presence of Our Lord and Saviour Jesus Christ. God Bless each and every one of you.
