“ I wanted to extend my condolences to the Jones family. I am very sorry to learn of your loss. May our heavenly Father Jehovah God give all of you the needed comfort and strength to get through each day. The Bible tells us that Jesus wept when his dear friend Lazarus died. Yet, just minutes later, Jesus performed an astounding miracle - he raised Lazarus back to life. (John 11:32-44) In doing so, he gave all mankind solid grounds for faith in the amazing promise he had made earlier in his ministry when he said: "The hour is coming in which all those in the memorial tombs will hear his voice and come out." - John 5:28,29. May the precious promise of the resurrection to life on a Paradise earth comfort you and give you peace. My deepest sympathy and my prayers are with you at this time.

“ Dear Jones family, I wanted to take this opportunity to say that I am very sorry for your loss. I know you're grieving at this time, but you should know that there is hope for the future. Never did Jehovah God purpose for the enemy death to take away the people we love the most. (1 Corinthians 15:26) God has purposed, however, to put an end to death, and to bring back our deceased loved ones by means of a resurrection hope to a perfect life on a Paradise earth. (John 5:28,29, Psalm 37:29, Revelation 21:4) This is not a mere dream, but this hope will be brought about in the near future. This is a prospect that Kwanis can have as well. This hope is definitely not beyond God's reach.(Jeremiah 32:17,27) My thoughts and prayers are with you at this time

“ *May "the God of all comfort" continue to sustain you now and in the difficult days ahead. He promises..."Your dead ones will live....They will rise up." ~Isaiah 26:19. God is faithful and always keeps his promises! His Son's word recorded at John 11:25 state: "I am the resurrection and the life. He that exercises faith in me, even though he dies, will come to life."*
