“ *God blesses us to share our journey with special people for a season. We hope that this season will not be short, but know that all things work in God's timing. I am fortunate to have known this angel, cousin Tanya Kelley, for the time that she was here. I know that her journey here is over, but we rejoice in knowing that she has a new home in Glory with the Father. We will see her again one day. Tanya you will forever be missed but your spirit lives on in the lives of all that you touched. Your spirit radiated a strong faith, love for the Lord, and genuine love for others. Our lives are forever enriched and blessed. We love you and miss you!
I pray for continued peace and strength for the family. Weeping may endure for a night but joy comes in the mourning!*
