“ My deepest condolences to the family on the loss of Mrs Murial Watley. A bright light is now with the Lord.  
My fondest memory is when the family moved to Atlanta, I went down to visit family and visited Mrs Murial and Mother Watley. Mrs Murial took us on a day filled with antique furniture shopping looking for specific items for the home. Afterwards we picked up Max and Skyler from school, they were really young at that time. We then headed to Jennifer's where she cooked us a beautiful meal. We then headed back to the house and I got a tour of both the main home and Mother Watley's home. I'll always remember the hospitality that was shown to me that day.  
Rest in Heaven Mrs Murial Watley.

“ Mrs. Watley was such a bright light. She made the silk flowers for my wedding 30 years ago and we would see each other at Shoprite zooming around on the cart. One of my favorite memories was when we sat next to each other at church and she admired my ring. I tried to locate one for her, but it was sold out. She was always willing to help and she loved her family and her church family. Rest Well Sister Watley.
