“ Heartfelt condolences to Yvonne and the rest of the family on the loss of precious and most loved mother, Aunty Dotty, cousin, best friend and many other things to many. She has been so good to many. May you all be given strength and comfort at this challenging time as you mourn her loss. As she transitions to a better place may her memory be a blessing. Cherish the memories that you hold dear in your heart. May she RIP. Sleep on and take your rest Aunty Dotty. Sending hugs and love and may the Lord richly bless you all.

“ The memory of how kind Aunty Dotty was to me and others will never be forgotten. I was often at her house and feeding me was like her motto. I always looked forward to her chicken (market bought) and cooked on a coal stove. It was the sweetest among other foods. That memory will live me with. She was just the absolute kindest and most gentle person with a good heart. I loved her as tho she was my own mother and will forever remember her. May she sleep on in peace eternal. Travel well Aunty Dotty.
