Mommy Reece you will be missed. We have confidence that you are in a better place where pain and sorrow has no place. Thanks for the life you lived and those you helped along the way. You will be missed. May God strengthen your family as they wrestle with the void that's left. God Bless!

“ *Although you sleep in heaven now
You are not that far away
We will miss your call to talk to Louise,
As sisters always do.
God has you in his keeping
We have you in our hearts.
Sadly missed, but never forgotten.
Pleasant and Family..*

“ To the Reece family. My deepest sympathy to you all in passing of your mother a dear and precious Servant of God. We can all take comfort in knowing that she is safe in the arms of Jesus. A golden heart stopped beating,
Hard working hands at rest,
It broke our hearts to see her go,
God only takes the best.
They say that memories are golden,
Well maybe that is true,
But we never wanted memories,
We only wanted you,
Your life was love and labour,
Your love for your family true,
You did your best for all of us,
We will always remember you.
We sat by your bedside,
Our hearts were crushed and sore,
We did our duty to the end,
'Til we could do no more.
In tears we watch you sinking,
We watched you fade away,
And though our hearts were breaking,
We knew you could not stay.
Our lips cannot speak how we loved you
Our hearts cannot tell what to say,
But God only knows how we miss you,
In our home 🏠 that is lonely today.

Rest In Peace, my Sister, until we meet, Face to face with Christ my Saviour, Face to face—what will it be? When with rapture I behold Him, Jesus Christ, who died for me.

“ We will always remember Sis. Reece for the beautiful life she lived, her beautiful smile, and her encouraging words. We will keep the memories alive of the times we spent together like bus trips to Sight & Sound, the after-church fellowships, and countless dinners.

Mommy Reece would make sure that everyone was well fed and taken care of. Although we will miss her very much, we know we'll see her once more, for this is the hope we have in God, being reunited in the Lord.

To the Reece/Rose family, we just want to say a big thank you for sharing your angel Mommy Reece with us. May you find comfort in the fact that she was loved and will be missed by others because of the impact she made on our lives and the lives of others she has touched.

“ *My dearest sister
Time has come for your 190ast goodbye.
There is a smile no tears dim the eye.
Death has taken over, but you are only asleep in the arms of your
savior so sweet.
Oh what a sunrise, its going to be.
Death will lose its sting, and the grave its victory.
The silence will be broken and the storm clouds roll away.
You will hear the saints of angels singing on your home coming
day..
Sleep in peace my sister.
I will always miss you.

“ *It is with sadness that I post this memory but it is also joy to know
that my friend and sister-in-law Myrtle has entered her eternal rest.
We image the joy she share sitting around the throne of God. It was
a blessing sharing some great singing, worshiping and family times
with her. She is always pleasant, smiling and full of life. She has left
her family proud of her sacrifices, her strength and the life that she
lived. She will never be forgotten. Sleep on Sister.*

“ Home is where mom always is. And now, you've moved on to the home beyond, as you take your place among the heavenly angels. You meant so much to me than I could ever have anticipated. Always checking in on me now and then just to make sure I was doing okay. Those special memories of you, will always remain golden as they will always bring smile to my face. If only I could have you back for just a little while, then we could sit and chat again like we used to do.

The fact that you're no longer here with us, will always bring me pain, but I celebrate your life as you are now in a better place, among the angels, and in the bosom of the king of glory.

Gone but never forgotten, and will always cherish our memories until we meet again.

Love you through eternity.

“ This is truly heartbreaking . Mrs Reece was like a mother to me in my early years. The Reece home was my second home. The Reece family was my second family. Terry and I have been friends since as long as I can remember and I know how much her Mom means to her. I send prayers and strength to the family during this time of bereavement. Its never easy losing a family member  and losing a mom I can imagine its the worst. My heart felt condolences to the family. I pray they get through this time by God's grace

“ I have know Terry Ann for a number of years and have come to know the love that she has for her dear mother. Her mother as a tower of strength and her rock. My deepest condolences to the entire family. I pray God's coverage, mercies and strength over your lives during these hard times and circumstances. May you find consolation in his strength and infinite wisdom in knowing that his grace is sufficient and this too shall pass.

“ My Aunt, my mother's youngest sister, has gone home to glory. She was ready to go, her one regret when we spoke on my birthday in September was that she will be leaving Uncle Sonny behind.

I will see you when I get over there Aunt Pet. We will meet on that morning. Rest in Peace

if roses grow in heaven Lord please pick a bunch for me place them in her hands and tell her there from us , tell her that we love her and when she turns to smile place a kiss upon her cheek and hold her for a while.. We will always miss Myrtle and her healthy smiles. My sister was so special to me. We have always been close, she was always upbeat even when in pain. My prayer and condolences go to her family. I am proud of the life that she has lived which is a lasting legacy for her family. We all mourn her loss but we also rejoice that she has been welcome home by her heavenly Father. She is somewhere around God's throne.
