“ *I thank God for the privilege and pleasure of having known Nancy these last 10 years. I always marveled at her vivacious personality, her wit and her wisdom. I am so grateful that she received me into her beautiful world and called me “Aunt.” Oh, the conversations we had, both on the phone and in person! She was such a delight and to know her was truly to love her. So, I say to you Kevin, Karsen, Ruth, Stacey, Darian, and all the hundreds of others who also loved her: Think of her as living on, in the lives of those she touched. For nothing loved is ever lost and she was loved so very much! Mildred Tartt*

“ To the family: I'm praying and praying for God 's mercy and healing for you. We never like the time or place; but our God makes no mistakes- He called up our AKA Angel to continue to bring cheer, laughter, and unconditional love to everyone. What a wonderful legacy she left! Still , yet our hearts are full. Take care.

“ A friend who's light will forever shine. She loved life, was full of life and everyone around her was touched by her spirit. Kevin, Ruth and Stacey trust in the Lord; He will give you peace to comfort you when nothing else can. I know from experience.
