“ My fiancé and I just found out about her passing after leaving her workplace tonight, and my heart is incredibly heavy. We would often wait in her line just to be checked out by her; she was always so sweet and kind. Seeing her beautiful memorial, it's clear how deeply she was loved by her coworkers. May God bless your soul, Ms. Natalie. We send our heartfelt condolences to her family and friends. She was truly a beautiful spirit.

“ Natalie was special in this world and is now happily "fitting in" and connecting with others in heaven. She's continuing her journey with that smile of hers and as a beloved, social soul. Love, Rene

“ *I am deeply saddened by the passing of my best friend. Natalie was a loving Sister built on Christian faith and values. She had a big heart and cared deeply for her family and friends. Always, Natalie would remember and reach out to everyone who was dear to her heart on their birthdays, holidays, or just to let you know that YOU were in her thoughts and prayers. The love Natalie carried in her heart poured into those she encountered. Our telephone conversations seemed to last for hours, filled with laughter, joy, and genuine love. Before ending each conversation, Natalie would say, "I will call you next week, I love you, Sister." We last talked, without fail, the Monday before Christmas. Natalie is now one of God's heavenly angels. Her patience, kindness, positivity, and love will always be embedded in those she loved and met throughout the journey of her lifetime. I will truly miss you Natalie and will cherish our memories, my sweet, beautiful and beloved Sister of the heart. -*

“ To Donnie and Diana
I will remember Natalie as always having fun, laughing and having a good time. Wish I could be there for the two of you at this time. Remember all the good times you had with your sister. When you're feeling sad remember all the fun times you had with your sister. She enjoyed having a good time. My prayers go out to you at this time.
Love, cousin Valerie

“ My heart is forever broken for having lost my best friend. Natalie was a beacon of light, hope and joy to all who knew her. She never met a stranger. Her heart was of God! She praised Him in her talk, in her walk and in the way she treated others. ALWAYS KIND AND LOVING EVEN WHEN OTHERS WERE NIT TO HER. She was God's chosen one and now she sits at the right hand of God, having done ALL God asked her to do. She is reunited with her mother and her body is fully healed and no more pain. I can see her dancing with her mother. Her infectious smile is making heaven brighter. I will miss you my friend but as much as I'm going to miss you I'm so grateful that you were born and that our paths crossed for I'm a better person for having met you and listened to your wise words in some of the darkest times in my life. Hebrews 13:1-2 speaks of you. Rest well my sister! I love you more than I can ever express! Rhoda
