“ Words can not describe the moment I found out about my cousin death. I was shocked!!!!

I still can't wrap my thoughts around she gone, but will NEVER be forgotten. Although we were cousins, the bond was so TIGHT she was more like one of my baby-sisters. We did a lot together, attended the same high school, laughed continuously, shared so much and the list goes on.

But MOST importantly we had a love for GOD. We would spend hours just talking about the goodness and the greatness of God Almighty.

I know your with Him and your father. Out of processing your not here, knowing your with Jesus Christ, gives me peace. You were an awesome mother and provider and loved your children to the Upmost.

You were loved by many and brought humor to any situation...Lol I'm laughing now, just thinking about the things you would say and do which spoke about your genuine comical personality.

Until we see each other again in Heaven, bye for now. Now you see the entire story of everything. Praise God like you never praised Him before. Peace and love always.

Your cousin Antonio.
