“ My deepest condolences, when I can to Georgia I had a few hards times and Mr.Nate and Mrs.. Jamartha was right there, they had my back and hand. My career has grown so much from Mr.Nate passing out flyers for the Salon. I got so many clients from him. Also my family wasn't able to be at my graduation from cosmetology school, he was right there, with flowers and gifts. My story wouldn't be complete if this family wasn't in it. God will place you where you need to be and the people in it. Mr. Nate was a father I didn't have, down to letting me drive their car when I didn't have one and didn't have to ask for it. This family not just Mr. Nate has opened their hearts to me. Most of all, my relationship with our father Jesus is owed to Mr. Nate and Mrs. Jamartha, God said lead them to me and I will do the rest. My heart is torn but what I do know that our God will mend it. I love this ENTIRE family, it is a blessing to me to know all y'all. I love all of you, I wish I could have been there but God knows my heart. I have another angel looking out for me from heaven. To God be the glory.

“ Nate and JaMartha are the ones responsible for us being established here in Georgia. In 1994 having not known has helped us get established here, loaned us there white two-door BMW because we had no car and then loaned us their minivan. Long does money to get in our first apartment and gave me my first job at ebony celebrity beauty and Barber shop. I will never forget their love and compassion they showed. Having not known us but no one of us treated us like family and that has not changed through the years. Nate will be truly truly missed in this life as he goes to be with the Lord. JaMartha we are here for you in any capacity that you need and in any way. Please know that you and your family can call on us and we will be there just let us know what you need and when you need it. The family has our prayers is this loss has impacted our family as well. I can't express enough love and kindness that he exemplified. A true pastor of people, a true disciple of the Lord and a true friend. people often use the phrase to know them is to love them but in his case this is 100% truth. I love you and will miss you Nate.

I am very sorry to know of your lost. I pray that God continue to strengthen and comfort you and your family. God saw that his servant work was done on this earth so he called him home. Sister Martha his earthly battle is done and now he's at peace with his Master. Hold his memories closer than close within your heart.

My love and prayers always,

“ *Mr Freeman was the coolest, calmest foster parent we had. He always showed much love and support for every child placed in their care. He lived by example, walked by faith and trusted God. We will truly miss him.*
