“ I had the pleasure of knowing Nate and Pat as they worked with me volunteering at Atlanta Motor Speedway for many years .
They were a lot of fun to be around and were always dependable and professional .
Nate was a very good person and good husband to Pat and their dogs that they always took everywhere with them .
They had stop working with us as Nate's condition worsened a few years back but we still stayed in contact and saw them at the track many times .
Time gets us all but Nate will be missed and remembered as an Atlanta Motor Speedway Ambassador always.
